

Consumer Product Recalls

Recall Notice

Date

July 2009

Product Name

Copco Harmony Tea Kettles

Full Product Description

This recall involves tea kettles sold under the name "Harmony" by Copco. The kettles come in stainless steel (brushed and polished finishes) and enamel finishes (red, white, black, turquoise, orange, yellow, or blue).

Copco tea kettles in other styles are not included in this recall.

Hazard Identified

The lid on the tea kettle may come loose during handling, posing a burn hazard to consumers.

The firm is aware of 25 incidents of the lid coming loose in the United States. Second-degree burns to hands and fingers have been reported.

Health Canada and Wilton Industries have not received any reports of incidents or injuries to Canadians related to the use of these kettles.

Corrective Action

Consumers should immediately stop using the recalled tea kettles. If the consumer has a stainless steel kettle, contact Wilton Industries Canada for a free replacement lid. If the consumer has an enamel tea kettle, contact Wilton Industries Canada for a free replacement kettle or a refund.

Do not return kettle or lid to the store where purchased.

For more information, consumers may contact Wilton Industries Canada at 1-800-387-3300 (ext. 136) between 8:30AM and 4:30PM ET Monday through Friday, or visit the [firm's website](#).

Number Sold

Approximately 5,500 units were sold across Canada.

Time Period Sold

The recalled products were sold from March 2006 to June 2009.

Manufactured in China and Thailand.

Importer

Wilton Industries Canada of Etobicoke, Ontario
