

Consumer Product Recalls

Recall Notice

Date

October 1, 2009

Product Name

Rattle Toy in 21 Piece Infant Gift Set

Full Product Description

This recall involves the toy rattle that is included in a 21 piece infant gift set, sold under the brand name "Small Wonders". The rattle is in the shape of a set of keys. Two rattles are included in each gift set.

The gift sets are sold in three colour themes: yellow, blue, and pink. Other items included in the gift set include 7 bibs, a fork and spoon, brush and comb, and 8 washclothes.

The recalled gift sets can be identified by the following numbers: CA33484, style 22285, and UPC 627174222856.

Hazard Identified

Testing by Health Canada had revealed that the key-shaped toy rattles can pose a choking hazard to young children. The tips of the keys are small enough that they can enter into and become lodged in a child's throat.

This toy does not meet the Canadian safety requirements for the size and shape of rattles.

Health Canada has not received reports of incidents or injuries to Canadians related to the use of this product.

For some tips to help consumers choose safe toys and to help them keep children safe when they play with toys, see Health Canada's: [Toy Safety Tips](#).

Corrective Action

Consumers should immediately take the key shaped rattle away from children and dispose of it in regular household garbage.

For more information, consumers may contact Tendertyme at 1-866-593-3729.

Number Sold

Approximately 3,600 of the recalled products were sold at various retailers across Canada, including Winners and Bargain Shop stores.

Time Period Sold

The recalled products were sold from September 2006 to September 2009.

Manufactured in China.
